COMPANY OVERVIEW

Cube Partitions reimagines spatial design through bespoke glass and aluminium solutions that harmonize transparency, light, and form. Specializing in sliding, telescopic, frameless, and aluminium partitions, we craft environments that balance aesthetics with functionality. Each project reflects our passion for detail, innovation, and modern architecture—transforming everyday spaces into refined interiors that inspire openness, creativity, and sophistication across residential and commercial settings.

WHAT WE STAND FOR

Cube Partitions crafts glass and aluminium solutions that blend elegance, functionality, and innovation. We transform interiors into modern, inspiring spaces, delivering seamless, stylish partitions and doors that enhance openness, flow, and aesthetic appeal in both commercial and residential projects.

ELEGANCE IN DESIGN

Sleek, modern solutions that elevate any space.

INNOVATION

Smart, adaptive designs for seamless functionality.

COLLABORATION

We believe in the power of collaboration to achieve success.

CLIENT-CENTRIC APPROACH

Tailored solutions that exceed expectations.

SHAPING INTERIORS

- Seamless Sliding & Folding Doors
- Telescopic Sliding Glass Doors
- Schryno Sliding Door
- Frameless & Aluminium-Frame Partitions
- Office Partitions Stile Doors
- Elegant Shower Cubicles

Alongside these, Cube Partitions delivers a comprehensive range of bespoke glass and aluminium solutions tailored for both residential and commercial projects, ensuring functionality, elegance, and seamless integration in every space.

1

SLIDING FOLDING SYSTEM

The Sliding Folding Door offers a versatile solution for dividing or opening up spaces with style and efficiency. Its multi-panel design folds seamlessly to the side, creating wide, unobstructed openings while maintaining smooth, effortless operation. Crafted with high-quality glass and aluminium frames, it blends durability with elegance. Ideal for both residential and commercial interiors, this door enhances spatial flexibility, promotes natural light flow, and delivers a contemporary, refined aesthetic that complements modern design sensibilities.

2

TELESCOPIC SLIDING SYSTEM

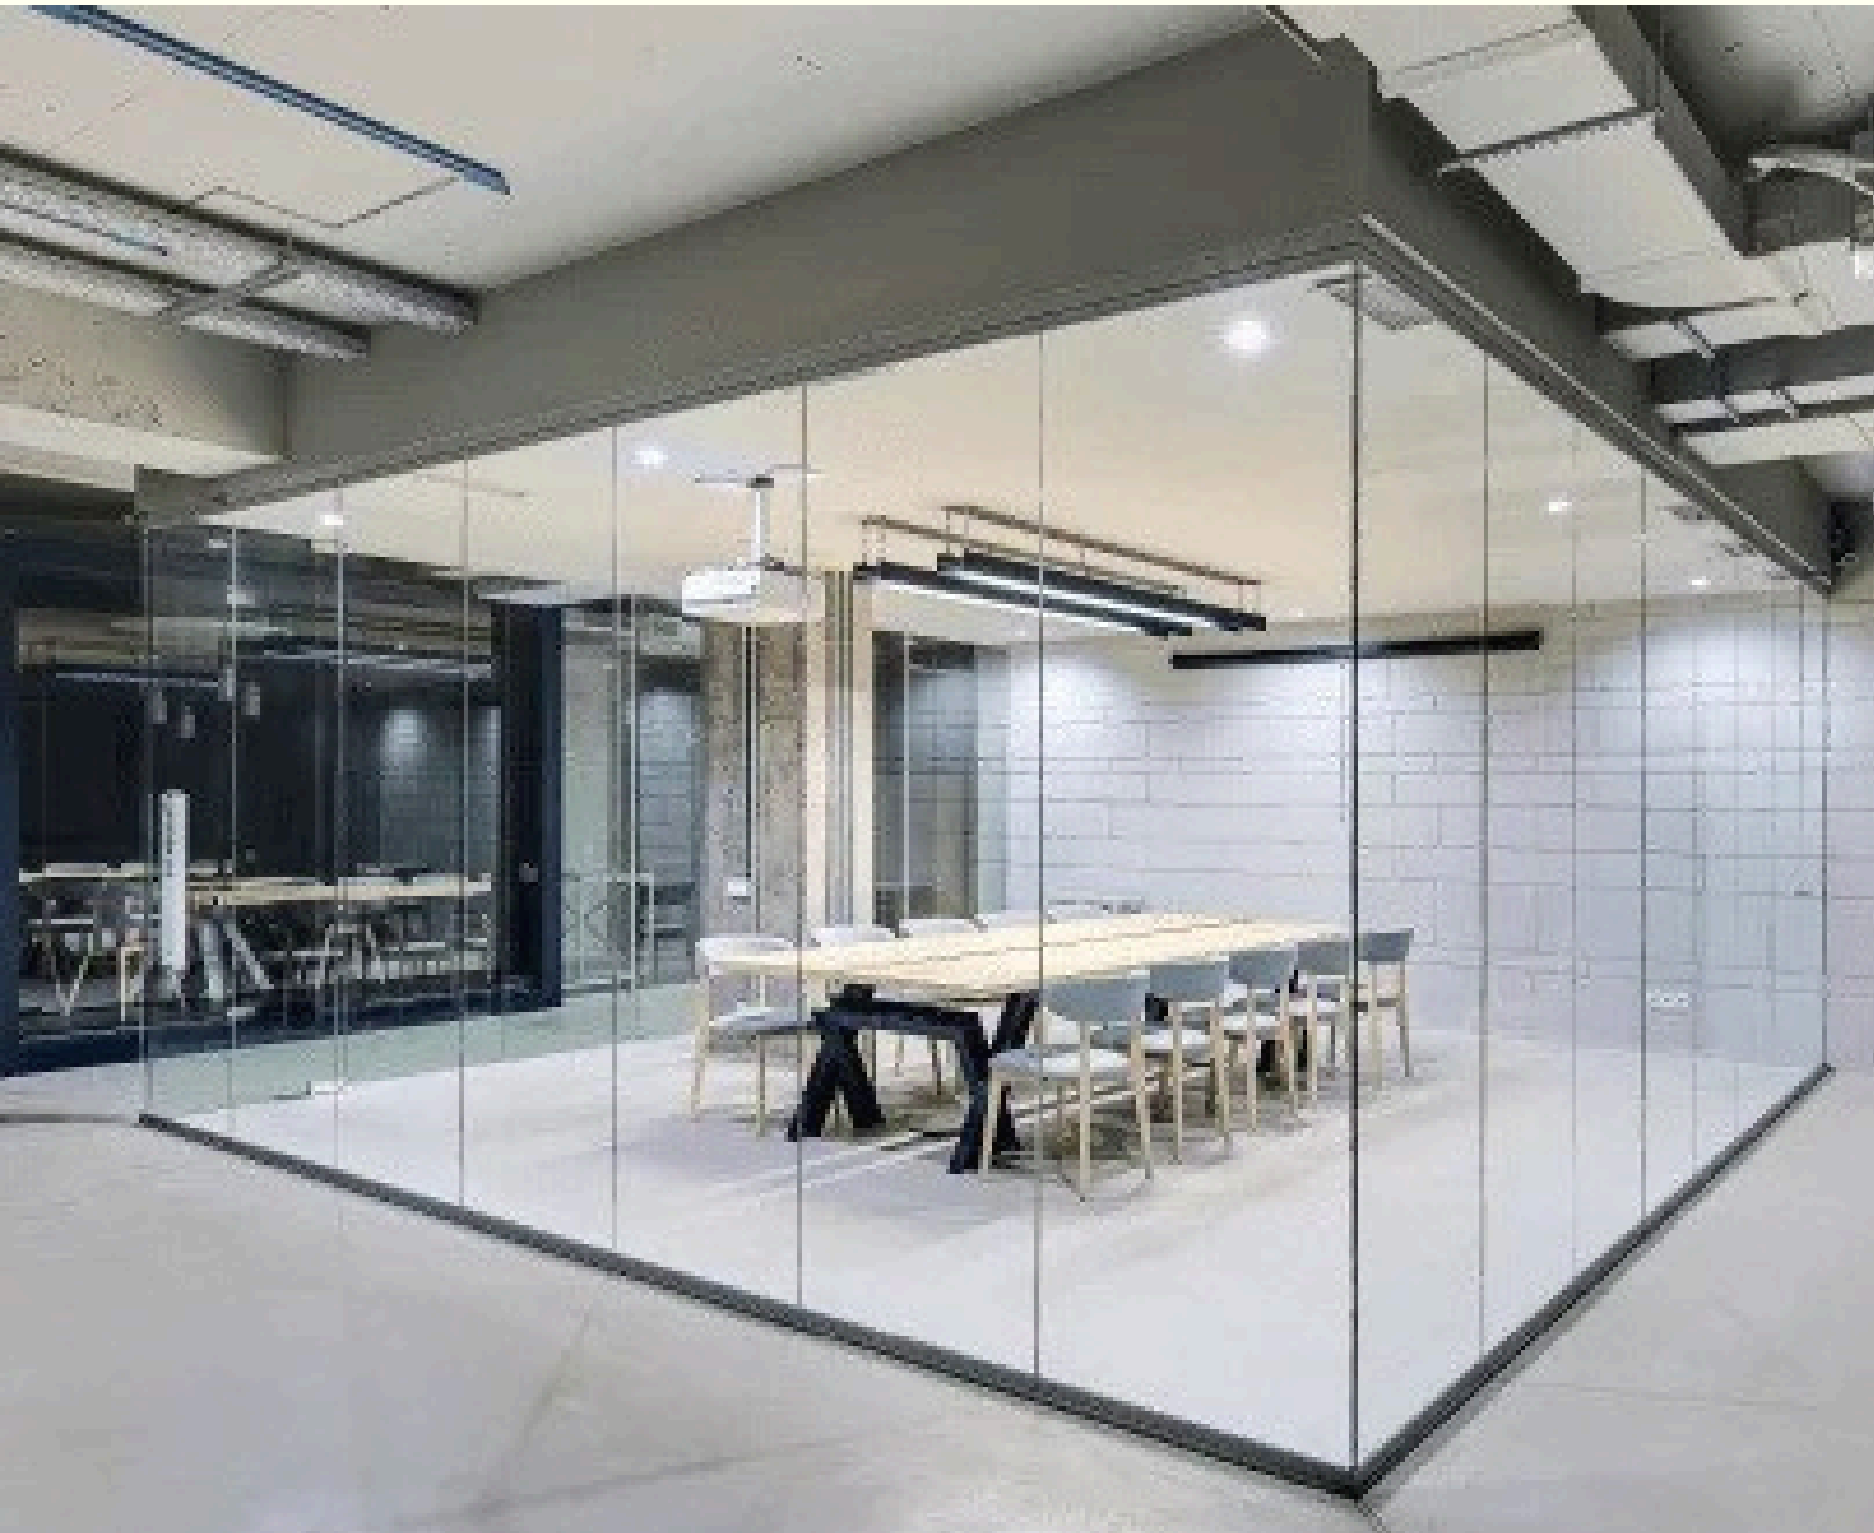

The telescopic sliding glass door creates a modern transition between lounge and works space areas. Combining toughened glass with sleek aluminium frames, it balances openness, style, and functionality—bringing transparency, elegance, and fluid motion to the overall design concept.

3

SYNCHRO SLIDING SYSTEM

The Synchro Sliding Door offers a sophisticated solution for creating seamless transitions between spaces, such as between a cabin and lobby. Featuring synchronized, multi-panel movement, it ensures smooth operation while maximizing usable space. Constructed with premium toughened glass and sleek aluminium frames, the door combines elegance, functionality, and modern design. Its precise engineering, effortless glide, and minimalist aesthetic make it ideal for contemporary interiors, enhancing openness, flow, and a sense of refined professionalism.

4

FRAMELESS PARTITIONS

Frameless Partitions create sleek, unobtrusive divisions that enhance openness and light flow in any space. Made entirely of toughened glass with minimal hardware, they offer a seamless, contemporary aesthetic while maintaining strength and durability. Perfect for offices, residential areas, and commercial interiors, these partitions balance privacy with transparency, allowing spaces to feel larger and more connected. Their clean lines and minimalist design make them an elegant solution for modern, design-driven interiors.

5

ALUMINIUM FRAME PARTITION

Aluminium Frame Partitions combine modern aesthetics with structural precision to create elegant, durable spatial divisions. Designed with slim aluminium profiles and high-quality glass, they deliver strength without compromising visual lightness. Ideal for offices, showrooms, and contemporary residences, these partitions provide acoustic comfort, defined boundaries, and design versatility. Their refined finish, customizable configurations, and long-lasting performance make them a perfect balance of functionality, style, and sophistication in both commercial and residential environments.

6

STILE DOOR

Stile Doors combine timeless design with modern craftsmanship, featuring sleek aluminium or glass panels framed with precision for durability and visual appeal. Their clean lines and sturdy structure make them suitable for both commercial and residential interiors. Offering a balance of privacy and transparency, Stile Doors enhance the aesthetic continuity of any space while ensuring strength, ease of use, and long-lasting performance—an ideal choice for contemporary environments seeking understated elegance and functionality.

7

ELEGANT SHOWER CUBICLES

Shower Cubicles combine functionality with modern design, creating private, elegant bathing spaces that enhance any bathroom's aesthetic. Crafted from toughened glass and high-quality fittings, they ensure durability, safety, and visual sophistication.
